THE UNIVERSITY OF FINDLAY

MEMORANDUM

TO: The University of Findlay Community

FROM: Robert Link
Business Manager, Director of Human Resources

RE: Self-Insured Workers' Compensation Policy

DATE: August 28, 2009

The University of Findlay is self-insured for work-related injuries and accidents, which requires specific procedures be followed when reporting work related injuries. I have attached a *Self-Insured Workers' Compensation Packet* of information to aid you in handling work related injuries. Please keep in mind that timely reporting is very important.

Change in The University of Findlay's *Self-Insured Bureau of Workers' Compensation* (BWC) Plan. The BWC accepted the University's voluntary withdrawal from its Qualified Health Plan (QHP) certification, effective July 1, 2007. The University of Findlay will no longer be certified to participate in the QHP and shall revert to The University of Findlay self-administered program conducted pursuant to Chapter 4123-7 of the Ohio Administrative Code.

If you have any questions, please contact me at ext. 4528.

Accident Reporting Procedure

This form can be obtained online at www.findlay.edu

INSTRUCTIONS:

- Review document.
- Please sign and date the form and send it to the Office of Human Resources

All accidents, no matter how minor, must be reported *promptly* to the immediate supervisor for evaluation and investigation.

1. Complete the entire *Self-Insured Workers' Compensation Packet* immediately or as soon as possible after medical treatment.
2. Telephone the Office of Human Resources 419-434-4528 (ext. 4528) immediately. If after hours, notify security by telephone 419-434-4799 (ext. 4799). You must report any injuries sustained at work in order to establish valid claims under state workers' compensation law. In addition, the University must comply with federal and state injury recordkeeping requirements.
3. After a medical appointment, you are required to report directly back to your supervisor. If your shift has ended or the physician sends you home, you must contact your supervisor prior to your next scheduled shift.
4. If a medical visit is not required at the time of injury, but is later necessary, you must immediately notify your supervisor. If you are unable to contact your supervisor, notify the Office of Human Resources 419-434-4528 (ext. 4528).

Safety Concern Reporting Procedure

Each employee is individually responsible for accident prevention. It benefits all employees and the University if you report any situation or condition which you believe may present a safety hazard. The University encourages you to report your concerns to either your immediate supervisor or the Office of Human Resources. The matter will be investigated immediately.

Authorization to Release Medical Information
