

***THE UNIVERSITY OF FINDLAY***

**Tenure-Track Position in Biology**

The University of Findlay invites applications for a tenure-track position in biology to begin August 2010.

Candidates will be expected to teach introductory level biology, second year genetics and cell biology and upper level electives in the candidate's area of expertise. Prior teaching experience is preferred and a PhD in biology is required. Rank as assistant or associate professor and salary are commensurate with qualifications. Candidates must be committed to student-centered education as well as professional development and scholarship, including engagement in undergraduate research.

The University of Findlay is a Carnegie Master's/L institution which has grown from 2,000 to over 4,000 students in the last twenty years and is the largest private university in northwest Ohio. Founded in 1882, The University provides innovative programs grounded in the liberal arts and sciences to prepare students for meaningful lives and productive careers. The University is committed to the education of diverse students and enrolls students from nearly 40 nations and most US states.

Applications should be sent to Dr. Terry Schwaner, Dean, College of Sciences, The University of Findlay, 1000 N. Main Street, Findlay, OH 45840 or email to [baier@findlay.edu](mailto:baier@findlay.edu). Applications should be identified BIOLOGY and should include a letter of application, statement of teaching philosophy, curriculum vitae, graduate transcript(s) and three letters of reference. Review of applications will begin on February 1, 2010, and continue until the position is filled. For more information on The University of Findlay, visit <http://www.findlay.edu>. The University of Findlay is an equal opportunity employer and educator.
