

The Oiler OneCard - What's Next?

Your Official University of Findlay ID Card

Welcome to The University of Findlay. As you may have already heard, the Oiler OneCard is how it's done at Findlay! From receiving your financial aid refunds to purchasing course materials, it's your key to success at The University of Findlay. And remember it's a debit card; not a credit card!

You may have some questions about what happens next. Here are the steps to successful card use.

1. Activate Your Card

The card will not function for campus access and privileges until you have activated it, therefore it's important to do so as soon as possible. Activating your card also allows you to select a refund preference, which is the method by which you will receive any financial refund from The University of Findlay.

Activation is quick and easy – Just log on to www.OilerOneCard.com to get started. If you have any questions about how to activate, you may want to view the activation demo provided at www.OilerOneCard.com. Look for the “View Demo” link in the “Learn About the OneAccount” box. Or call Customer Service at 1-877-266-9094.

2. Make Choices

With the Oiler OneCard, you have a choice in how to receive refunds from the school. Your options are:

Easy Refund to the OneAccount

The FDIC-insured OneAccount has no monthly fees or minimum balance requirement. With the OneAccount,

you can use your Oiler OneCard to make debit purchases wherever Debit MasterCard® is accepted. The OneAccount is the fastest way to receive a refund, giving you access to your money the same day it's released by The University of Findlay.

ACH Transfer (To another bank):

You may choose to have an electronic deposit of your refund money to another bank account. This transfer may take 2-3 days for your bank to make funds available.

Paper Check:

You may also elect to have a paper check sent to you in the mail. This option takes the longest. Paper checks can take 5 or more days to arrive.

3. Take Advantage Of The OneAccount

Even if you choose a paper check or ACH transfer to another bank as your refund preference, you still have the option of opening a OneAccount. Many students find the OneAccount is a great way to manage school expenses separate from other expenses.

4. Use Your Card

Once your card is activated and you have money in your account, you can use it anywhere Debit MasterCard® is accepted. We're sure you'll see the benefits of the Oiler OneCard and OneAccount.

If you have any questions, visit www.OilerOneCard.com

Be financially responsible: Keeping track of your account balance is easy and very important for you to do. Remember, avoiding overdrafts is your responsibility.
