Special Note Regarding Picking Up Your Finished Application

Students must pick up their completed OPT application packet in person in our office when it is finished. **We no longer allow friends or family members to pick up the finished packet and we will no longer mail them to students.** You must plan ahead and be prepared to be here to pick them up. The application packets will be ready for pick up one week after the OPT Application Session. There are no exceptions.

As a University of Findlay student, the expectation has always been that you would be here when requested or needed to meet with faculty/staff, do required paperwork, etc; regardless of where you are living in the United States.
