Get to Know Us: Suzanne Recker

Each month we'll highlight a different staff person in the office of International Admissions and Services

Administrative Assistant to Director

Year Started at UF: 2003

What do you do in the office of International Admissions? I am the assistant to Penny Gerdeman. I assist Penny in recruiting new students to UF.

What do you enjoy about working in International Admissions? I truly enjoy my job because of all the different students I get to meet from all over the world. It is amazing to me when I hear stories of all the different cultures and beliefs from so many different countries. I enjoy when students cook food native to their country and bring it in the office to share.

What are some of your hobbies and interests outside of work? I am a mother of two boys, when I am not at work I am usually attending one of my boys activities. I also enjoy working in my flowers gardens, spending time outside and camping with my family.

Tell us a "fun fact" about you. My "fun fact" would be that I have met Tim McGraw (country music star) in person three times.

What words of wisdom or advice would you have for international students? Live life to the fullest, enjoy each day like it is your last.
