

International Applicant Check Sheet

UNDERGRADUATE TRANSFER APPLICANT (LESS THAN 30 UNDERGRADUATE HOURS COMPLETED)

NOTE: At no time are faxed, scanned, simple copies, or notarized copies of international credentials to be accepted for admission consideration. For those countries providing attested copies, see the approved Attestation policy.

Information required for admission consideration:

	Application stating UNDERGRADUATE, term desired at UF, and program of study
	Original and official credentials showing completion of required secondary school work. If not issued in English, then a certified English translation along with the original language credential is required, and, if a copy of an original, the copy must be attested by an appropriate educational official within the home country and the applicant is required to produce original educational credentials upon enrollment. See approved Attestation policy.
	Original and official credentials showing completion of university level work. If not issued in English, then a certified English translation along with the original language credential is required, and, if a copy of an original, the copy must be attested by an appropriate educational official within the home country and the applicant is required to produce original educational credentials upon enrollment. See approved Attestation policy.

The following items are not required for admission consideration, but will be required after the admission decision is made:

	Financial documents required prior to issuance of I-20
--	--

While the following are not required for admission consideration, they are required upon enrollment at UF. Please note the consequences of failure to provide these items.

	A verified OFFICIAL TOEFL score. Failure to provide this will result in taking at least one term in the Intensive English Language Program (IELP).
	An OFFICIAL ACADEMIC IELTS provided in lieu of TOEFL. NOTE: If presented with a GENERAL TRAINING IELTS, it cannot be accepted for language waiver, and if no ACADEMIC IELTS or TOEFL provided, this will result in taking at least one term in the Intensive English Language Program (IELP).
