A Gift Supporting Every Student

This fall, 3,010 undergraduate students fill the campus. Their educational experiences at The University of Findlay will help them prepare for careers full of promise and lives of meaning and purpose.

That's why we are launching "3010 – A Gift Supporting Every Student," an initiative that seeks to encourage and inspire 3,010 alumni, parents and friends of the University to give a financial gift.

Every gift to the annual fund supports each student's experiences – small classes with personal attention by faculty, technology-enhanced classrooms, sophisticated laboratory and research equipment, updated residence housing, clubs and service organizations that develop leadership skills and athletic opportunities, whether intramural or intercollegiate.

Now is the time to show today's 3,010 students that they don't stand alone in seeking an education that will impact the rest of their lives. Your gift will demonstrate that you appreciate your own education enough to help make one possible for another. Please consider giving today so that no student is left out.

To make a donation, enclose a check or fill out your credit card information on the attached envelope. Or, to give on our secure online website, go to www.findlay.edu and click on "Give to UF."

Join Class Representatives in Support of Students

If you have not been back to the campus for a number of years, The University of Findlay has grown and changed a lot. There is one piece of the campus grounds that has remained constant - the big tree behind Old Main. It still stands to greet students as they pass by on their way to and from classes.

That tree took center stage in my life while studying for my degree. I recall how much of Greek Week happened in the shade of its branches: tricycle races, the VW Bug stuff, the finish line for the bed races! It didn't matter where you were headed on campus, your path usually took you past the tree.

The UF Class Representatives would like to ask you to join us in supporting the current students with the "3010 – A Gift Supporting Every Student" initiative. Memories and a "center stage," such as the tree, for each student are priceless!

Charitable gifts are directed to those institutions of higher learning that believe in themselves and can show substantial support from alumni, parents and friends.
