## A Gift Supporting Every Student

This fall, 3,010 undergraduate students fill the campus. Their educational experiences at The University of Findlay will help them prepare for careers full of promise and lives of meaning and purpose.

That's why we are launching "3010 – A Gift Supporting Every Student," an initiative that seeks to encourage and inspire 3,010 alumni, parents and friends of the University to give a financial gift.

Every gift to the annual fund supports each student's experiences – small classes with personal attention by faculty, technology-enhanced classrooms, sophisticated laboratory and research equipment, updated residence housing, clubs and service organizations that develop leadership skills and athletic opportunities, whether intramural or intercollegiate.

Now is the time to show today's 3,010 students that they don't stand alone in seeking an education that will impact the rest of their lives. Your gift will demonstrate that you appreciate your own education enough to help make one possible for another. Please consider giving today so that no student is left out.

To make a donation, enclose a check or fill out your credit card information on the attached envelope. Or, to give on our secure online website, go to [www.findlay.edu](http://www.findlay.edu) and click on "Give to UF."

## A Message from the Dean

Students in the College of Education (COE) pursue degrees and licensure in early childhood, middle childhood, adolescent/young adult, multi-age or intervention specialist. Our graduate programs are growing as we meet the needs of teachers, administrators and human resource professionals. Cornerstones of our program are field experience and service. Students are able to participate in service activities connected to our professional development schools and other local community organizations such as the Hancock County Park District. Additional service opportunities are offered through our UF Student Education Association. Field experiences are provided each year of a student's program as well as additional tutoring through The Clubhouse. The Clubhouse is a free literacy and math outreach program to K-12 students in the area. The College of Education has professional development school (PDS) relationships with several local school districts and Chinju National University in South Korea. All of our students benefit from these partnerships, and Cassie Holman just received a position at one of our PDS schools, Van Buren Middle School. Cassie has benefited from The Clubhouse and our PDS relationships. The COE faculty are dedicated, proactive and on the cutting edge of instructional practices in K-12 classrooms.

## Double Your Gift

Members of our Board of Trustees have pledged to match new and increased gifts. This is your chance to double your gift. All gifts also count as part of the "Give Voice to Your Values" campaign.

## Matching Gift Programs

A great way to double or even triple your gift to Findlay is through corporate matching gift programs. You can contact your human resources department to obtain a matching gift form and more information on how to take advantage of this great benefit. If you work for or are affiliated with a company with a matching gift program, you are entitled to this benefit that allows you to help allocate their charitable dollars to causes that can make a difference in many lives.

Eighty-five percent of UF students receive some type of financial aid. Your gift makes a difference.

## The Importance Of Your Gift

We at The University of Findlay are thankful for your gifts. A gift to the UF Fund is important because the contribution's unrestricted nature provides the necessary financial flexibility to support immediate University operational needs and important projects. It also sends a strong philanthropic message to other prospective donors and assists The University of Findlay in attracting additional external funding. Charitable gifts are directed to those institutions of higher learning that believe in themselves and can show substantial support from alumni, parents and friends.

## Give Today!

- Send a check payable to The University of Findlay.
- Pay by Mastercard, VISA or Discover credit card.
- Make a pledge that allows you to fulfill your gift over several installments.
- Use our electronic banking service by contacting the Office of Development Services at 1-800-472-9502, ext. 4518.
