

# University of Findlay

*Our calling is to cultivate the potential within each student through academic excellence, transformative experiences and a supportive community that is grounded in Christian faith.*

Established in 1882 through a joint partnership between the Churches of God, General Conference and the city of Findlay, the University is known for excellence in its science, health professions, animal science and equestrian studies programs, but also for cultivating the next generation of business leaders, educators and innovative thinkers through a dedication to experiential learning, both in and outside of the classroom.
