1. A 2.50 cumulative undergraduate GPA may be considered for conditional admission but must attain a 3.0 cumulative GPA in the first nine hours of the ENVM program to be fully admitted to the program.
2. Due to the unique nature of the requirements for Health Professions admission consideration, applicants to these programs are considered on a case-by-case basis, and may not be eligible for direct admission consideration into the Master's or Professional portion of their desired program.
