To request, please email admissions@findlay.edu with the expected number of students; grade level of students; date(s) that would work for you, please include more than one option. After your request is received, our office will reach out to schedule the visit.

- An admissions presentation and campus tour.
- Lunch is not provided; however, arrangements can be made for your group to have lunch on campus. Lunches are \$13.88/per person. ***Please note this rate may change and will be confirmed when making reservations. Lunch is not available during summer months, (May through the end of August).***
