# IELP Advantage Program

Aspiring University of Findlay IELP Students

University of Findlay has expanded the benefits of its Intensive English Language Program (IELP) to include an Advantage Program for non-native speakers of English who choose to study the English language and American life at Findlay.

## What is the Advantage?

Anyone enrolling in the IELP at the University of Findlay has the additional advantage of deducting their IELP tuition from their undergraduate tuition, saving thousands of dollars.

## Continue Your Studies

Transfer up to 36 IELP credits towards an undergraduate degree at the University of Findlay with **6 different colleges** and **85+ programs of study**. Select from business, education, health professions, sciences, and the arts, humanities, and social sciences to achieve your career goals.

## Automatically Qualify

Students who complete up to 2 full-time semesters of IELP at the University of Findlay at levels 2, 3, or 4 are eligible. The IELP Advantage Program applies to students who enter the undergraduate program within two years of completing the IELP.

## The Findlay Experience

Enjoy your time at the University of Findlay with access to excellent facilities including: English Language Learner Support Center, game rooms, study zones, swimming pool, Cosiano Health Center, and much more.

## Conveniently Located

Located 40 minutes south of Toledo and approximately 90 minutes from Detroit and Columbus, Findlay is easily accessible to larger cities. Findlay's attractive and supportive business culture, moderate cost of living, high ratings for safety, and rich array of outdoor and cultural activities makes it an ideal place to live and learn.
