

2026–2027 Verification Worksheet

Dependent Student

Your 2026–2027 Free Application for Federal Student Aid (FAFSA) was selected for verification. Federal law requires that a student provide documentation to a financial aid administrator to confirm the information reported on the FAFSA prior to aid being disbursed. The Office of Financial Aid will compare your FAFSA with the information on this worksheet and other required documents. If there are differences, your FAFSA information will be updated. You and at least one parent must complete and sign this worksheet, attach any required documents, and submit these forms to The Office of Financial Aid. If you have questions about this process, contact your financial aid counselor.
