CPI Training Modules

The PT CPI training modules are now located on the [Clinical Assessment Suite Help Center](#) on the Liaison International website.

After receiving the training, the CPI post-tests are located in the [APTA Learning Center.](#) To find the post-tests, type <u>"CPI" into the Learning Center search bar</u>.

After successful completion of the post-test, make sure to print your certificate.

If you have questions on the CPI modules, please contact academicservices@apta.org

If you have questions related to the Learning Center, please e-mail learningcenter@apta.org

Any general questions about this process, contact your DCE.
