College Speakers

College of Education

Sara Penzinski

Sara (Bornhorst) Penzinski is a 2019 graduate from the University of Findlay with a degree in multi-age Spanish education and a theatre minor. After graduating, Sara began her teaching career as a high school Spanish teacher at Willard High School, and now currently teaches at Valley View High School, near Dayton, Ohio, where she currently resides. Teaching has always been her passion, and she brings her energy, love of Spanish culture, and creativity each and every day in the classroom!

Beyond teaching she has directed her school musical, been class advisor, served on the building leadership team, and has even traveled with students across the world! Outside of the classroom, she enjoys traveling, creative projects, playing cards, and hosting friends with her wonderful husband, Matthew, who is also a Findlay alumni.

College of Health Professions

Mitch Haan

Mitch Haan, PT, DPT, is a native of Findlay and graduated from Liberty-Benton High School. He earned his Doctor of Physical Therapy degree from the University of Findlay in 2019. Since graduation, he has been a dedicated member of the clinical team at Opti-Health Physical Therapy in Findlay, where he now serves as Clinical Director. Mitch and his wife met as students at UF in 2014 and are now the proud parents of five children.

The Haan family is active at St. Michael the Archangel Catholic Parish. Mitch is involved in music as well as youth and young adult activities. You may have even caught him playing guitar and singing at Coffee Amici's Open Mic Night. He enjoys playing basketball and volleyball for fun in his free time. Whether in the clinic or the community, Mitch is committed to serving his hometown both professionally and personally.

College of Sciences

Tori Daniels-Lowe

Tori Daniels-Lowe is a 2022 University of Findlay Alumna, earning a Bachelor of Science degree in Chemistry. During her time at UF, Tori performed extensive research with Dr. Nathan Tice on fluorinated heterocycles utilized in cancer therapies, as well as on beta antagonists used in the treatment of essential tremors. While at Findlay, Tori also held a Quality Assurance internship position at Bunge North America, located in Bellevue, Ohio.

Upon graduation, Tori began her professional career at the Davis-Besse Nuclear Power Plant near Oak Harbor, Ohio, where she continues to work as a Chemistry Tester. Her role focuses on sampling and analyzing plant systems and environmental locations; the results are used to ensure the safety of the plant equipment, environment, and public. Tori is a member of the Davis-Besse Employee Association, Behavior-Based Safety program, and the Safety and Human Performance Committee. At Davis-Besse, she strives to keep the workplace safe for all her colleagues. She and her husband reside in Port Clinton, and they love to read, go to NFL games, and travel.

College of Business

Christy Kisseberth

Christy Kisseberth is the Chief Financial Officer for TRG. As CFO, Christy is responsible for the global financial management of the company, including financial planning, cash management, analysis, forecasting, and budget management. She joined the company with the Rowmark division in 2002 as part of the accounting team. Most recently, Christy held the position of Director of Strategic and Technology Planning, where she led the company's customer experience initiative.

Christy holds a Bachelor of Business degree with a focus on accounting from the University of Findlay and a Master of Business Administration degree from Bowling Green State University. She has also completed a Strategic Leadership Program through Penn State Executive Programs. She currently serves on the University of Findlay's College of Business Advisory Board. She is a 2010 graduate of the Hancock Leadership program and has previously served on the local Board of Directors for the Findlay/Hancock County YMCA, Habitat for Humanity, the Blanchard Valley Health System's Finance Committee, and the University of Findlay's Business Affiliates Advisory Board. Christy and her husband Jordan live in Van Buren, Ohio, with their two children.

College of Arts, Humanities, and Social Sciences

Beth Dailey

Beth Dailey is a Criminal Intelligence Analyst with the Ohio Attorney General's Bureau of Criminal Investigation, where she has served since 2005. She supports complex investigations involving homicide, drug trafficking, fraud, corruption, and officer-involved critical incidents. Her work focuses on analyzing large volumes of data from law enforcement databases, public records, financial documents, and digital communications to identify patterns, relationships, and investigative leads. She regularly provides intelligence products that support operational decisions by investigators, command staff, and partner agencies.

Beth began her career with the Ohio Attorney General's Office as a Medicaid Fraud Intake Officer, handling complaints related to provider fraud, patient abuse, neglect, and financial exploitation. She holds a bachelor's degree in Criminal Justice Administration and Psychology from the University of Findlay. She is a Certified Cyber Crime Intelligence Analyst with extensive training in cellular records analysis, financial investigations, intelligence tradecraft, and digital evidence. Her expertise includes carrier records analysis, cell phone mapping, lawful interception support, and courtroom-ready analytical reporting. Beth has testified as an expert witness in multiple felony and homicide cases across Ohio. She also provides training to law enforcement agencies and regularly lectures at universities in forensic science and forensic psychology.

College of Pharmacy

Amanda McQuillan

Dr. Amanda McQuillan is a 2014 graduate of the University of Findlay College of Pharmacy. She completed residency training at the VA Pittsburgh Healthcare System, is board certified in psychiatric pharmacy (BCPP) and pharmacotherapy (BCPS), and holds multiple pharmacogenomics certificates.

Amanda spent eight years practicing in mental health and academic detailing before transitioning during the COVID-19 pandemic into pharmacogenomics at VA Pittsburgh. In 2023, she advanced to the role of Regional Program Manager, where she oversees pharmacogenomics services across nine VA medical centers. Throughout her 11 years as a pharmacist, Amanda has embraced innovation and the continually evolving landscape of healthcare. She lives near Pittsburgh with her husband and their four young children.
