

2018-2019 Tuition Exchange

The University of Findlay participates in two Tuition Exchange programs, The Tuition Exchange, Inc. (www.tuitionexchange.org) and the CIC Tuition Exchange Program (www.cic.edu) which are offered through the Office of Human Resources.

The list of schools from each program can be viewed by the following:

The Tuition Exchange, Inc. – www.tuitionexchange.org – under “Families” click “Tuition Exchange Member Schools” – the schools will be listed by State.

CIC Tuition Exchange – www.cic.edu – click “Member Services” – select “Tuition Exchange Program (TEP)” - you can search a specific institution or click “View/Print all Institutions” and the list will populate alphabetically.

While neither tuition exchange program is a guarantee, The Tuition Exchange, Inc. (TE) is different from the CIC Tuition Exchange Program (CIC). Admittance in TE is highly competitive, based on previously enrolled students and seniority of the employee. Please read the attached guidelines regarding the program.

If you have a son or daughter interested in TE or CIC, complete the Tuition Exchange application and return to the Office of Human Resources by **Monday, September 18, 2017**. Any questions can be directed to Kim Henley in the Office of Human Resources at extension 4804 or via e-mail henley@findlay.edu.

If you have a son or daughter currently participating in the TE or CIC program, please confirm by e-mail they are returning for the 2018-2019 school year.

Thank you!
