Experience significant tax savings by contributing pre-tax dollars to an FSA. (*This is an opt-in benefit fully paid by the employee.*)

- Administered by UMR
- Limited purpose FSAs are not intended to be used for the same wide range of expenses covered by HSA's. Instead, they are designed to be limited to just dental and vision expenses – oftentimes, specific expenses as defined by the limits of the plan.
- Limited purpose FSAs are not intended to replace traditional HSA's, which is why they only cover vision and dental expenses. Medical expenses, such as prescription medications and emergency room visits, are not covered by the limited purpose FSA.
- **Rollover provision does not apply. Use it or lose it rule applies.**

Maximum Healthcare FSA limit for 2026 Tax Year is \$4,400.
