

## April 3 Campus Update Regarding Coronavirus

To the UF Community:

Good afternoon. As we close out the week, here are some updates we hope you find useful.

### Stay at Home Order

- Given the amended [Stay at Home Order](#) issued yesterday, UF will continue to only have limited staff come to campus to perform essential duties through May 1, 2020. Frequently asked questions regarding the order can be accessed [here](#).

### Registration

- The registration window for all currently enrolled students is now open. You are able to schedule classes for the summer and fall 2020 semesters. Your academic adviser and the Oiler Success Center team are here to assist.
- Remember, new incoming freshman will be registering for their courses in the next few weeks. Given that, it is important you schedule your classes as soon as possible so you have the courses required for your major as well as a schedule that works for your other commitments. The Oiler Success Center can be reached at: 419-434-5680 or at [oilersuccesscenter@findlay.edu](mailto:oilersuccesscenter@findlay.edu).

### Student Government

- All students were sent an email inviting them to vote for the 2020-21 Student Government Executive Board Officers. The ballot is available at <https://sites.findlay.edu/survey/TakeSurvey.asp?SurveyID=8333173H2I8K> [G](#), and voting will remain open until 5:00 p.m. on Wednesday, April 8, 2020.

### Virtual Events

- The Student Activities Office is planning a number of virtual events for the month of April to help keep students, faculty and staff connected to Oiler Nation. Information about those events will be shared in a separate email to students in the next few days.

### Services Available

- The reality of the “college experience” has been altered this year due to the coronavirus (COVID-19) pandemic. While students aren’t able to physically attend classes or events, the University of Findlay wants to remind our students, parents, faculty, staff and friends that we are still here for you. Please take a moment to read the article [“Campus Offices Navigate How to Serve Students Remotely”](#) to learn more about services available.

### Parking on Campus

- Since only essential operations are taking place on campus, persons traveling to campus may park in any campus parking lot regardless of its designation. The only exceptions to this are Handicapped/Reserved spots and Fire Lanes.

If you have suggestions or questions, please email them to [coronavirus@findlay.edu](mailto:coronavirus@findlay.edu). Also, please visit the [Coronavirus Disease \(COVID-19\) Information](#) web page for current status reports. Additionally, we would encourage you to download the Oiler Mobile App (available at App Store and Google Play), and enable push notifications.

As always, thank you for your understanding and thoughtful feedback as we work our way through this one day at a time. We will continue to do our best to provide up-to-date information on the changing situation. Have a good weekend.

Regards,  
Dave
