

July 20 Oiler Start Safe & Stay Safe Plan

To the UF Community:

In preparation for the upcoming fall semester, UF has created the [Oiler Start Safe & Stay Safe Plan](#) which is available in its entirety [here](#). We encourage you to read the plan thoroughly so you become familiar with the guidelines and requirements that will be place when you return to campus. Our plan is consistent with those that other universities across Ohio are implementing based on recommendations from the State of Ohio and the CDC. Sections of our plan include:

- [Promoting Health and Safety](#)
- [Reporting, Monitoring, and Identifying Potential Cases](#)
- [Maintaining Healthy Environments](#)
- [Sustaining Academic Quality](#)
- [Managing Off-Campus Experiences and Travel](#)
- [Engaging in Campus Life](#)
- [Campus Events and Gatherings](#)
- [Athletics](#)
- [COVID-19 Accommodations for Students and Employees](#)
- [State of Ohio/CDC Guidance and Resources](#)

Once you have reviewed the [Oiler Start Safe & Stay Safe Plan](#), we ask that you also join us in taking the [Oiler Pledge](#) (available [here](#)) to show your commitment to keeping all of us in Oiler Nation safe and healthy. The [Oiler Pledge](#) is intended to foster a community commitment to wellness.

As you know, the landscape is ever-evolving, and there may be changes throughout the rest of the summer and fall as we follow the recommendations provided by state and health officials.

We look forward to welcoming everyone back in August, and, in a separate email update, will share information regarding residential move-in , orientation, and opening in general.

If you would like to access any of the other campus updates that have been sent out over the past months, please visit the [Coronavirus Disease \(COVID-19\) Information](#) web page. Links to all updates are located in the Campus Communications section. If you have suggestions or questions, please email them to coronavirus@findlay.edu. Additionally, we would encourage you to download the Oiler Mobile App (available at App Store and Google Play), and enable push notifications.

As always, thank you for your understanding and thoughtful feedback.

Regards,

David Emsweller

Vice President for Student Affairs
