

March 13 Campus Update Regarding Coronavirus Response

To the UF Community:

Good afternoon. As we continue to navigate the current situation, we have the following updates for you today:

- The campus remains open, including services for students and the residence halls.
- Given the COVID-19 situation and the recently announced K-12 school closings, the University understands that this poses challenges for our employees. Because of this, we are in the process of finalizing additional policies/procedures to accommodate working from home and/or necessary absences from work. We plan to share these early next week.
- On Friday, March 13, the Great Midwest Athletic Conference (G-MAC), in cooperation with its member institutions, announced the cancellation of all spring athletic competition as well as all Great Midwest Athletic Conference Championships, effective immediately. As well as canceling athletic competition, all Great Midwest Athletic Conference institutions will be prohibiting other team-related activity through April 6, with the option for each institution to use its own discretion following that date. For more information, please visit the [University of Findlay's Athletics website](#).
- In-person visits/campus tours for prospective students and their families are postponed until April 14.
- The Mazza Museum is closing today at 5:00 p.m., and will remain closed through April 14.
- Shafer Library remains open, but will be closing at 10 p.m. Sundays-Thursdays starting March 15. Off-campus access to the library's e-book and online journal collection is available using the library's website. Librarians are available to help students and faculty via chat on the library's website, by email, by telephone, or in person.
- The Student Recreation Center and Cardio Center will be open the following hours:
 - Monday-Friday 6:00 a.m. - 10:00 p.m.
 - Saturday 10:00 a.m. - 10:00 p.m.
 - Sunday 12:00 p.m. - 10:00 p.m.

- Exercise classes, intramurals, and club sport activities are canceled from Monday, March 16 - Tuesday, April 14.
- The weight room is closed.

- If you are taking CCP in a high school setting, you will continue to take your courses through the modality chosen by your particular school district. CCP students who normally come to campus should monitor their UF email and check with their instructors regarding the transition from face-to-face to online courses. CCP students who are already taking courses online should see no disruption in delivery. Student Canvas support can be found at: <https://helpdesk.findlay.edu/support/solutions/articles/13000073711-canvas-quick-start-for-students>. This page will be updated frequently.

- As a reminder, employee time submission for hours worked March 1 – March 14 is due upon clock-out at the end of the pay period. Supervisors: If you have student workers who have completed their work for the week, please submit time on their behalf. If your student workers are still working, please be sure that all time is submitted by 2 p.m. on Monday, March 16. The supervisor approval date for hours worked March 1 – March 14 is March 17 by 2 p.m.

If you have suggestions or questions, please email them to coronavirus@findlay.edu. Also, please visit the [Coronavirus Disease \(COVID-19\) Information](#) web page for current status reports. Additionally, we would encourage you to download the Oiler Mobile App (available at App Store and Google Play), and enable push notifications. As I have said in previous emails, we will do our best to provide up-to-date information on the changing situation, and appreciate your understanding and thoughtful feedback as we work through this together.

Regards,
Dave

David Emsweller

Vice President for Student Affairs
