

March 24 Campus Update Regarding Coronavirus

To the UF Community:

Good afternoon. We have just a few brief updates for today.

Bookstore Hours

- Bookstore hours have changed to Monday-Friday, 9:00 a.m. to 3:00 p.m. The Bookstore will not be open on Saturdays for the time-being.

Online Campus Events

- As we all adjust to learning, teaching, working and connecting remotely, we know that there are new remote events being planned. If you would like your remote event added to the online calendar so push notifications can be sent to the Oiler Mobile App, please submit your event information here: <https://calendar.findlay.edu/>.

On-Campus Housing

- Just a reminder that all residential students who have not officially checked out of their room must complete the following form by Wednesday, March 25 to indicate if they will be remaining in their assigned space or will be checking out: <https://forms.gle/vUV5LkgMhu6F1zT28>.

Oiler Nation Highlights

- The University is also starting a series of stories that show how our campus community is adjusting to our new situation. We will share these stories with the campus community several times a week. Today's story features the Biology Department and how they are approaching virtual science labs. You can read the story in the University's Newsroom here: <https://newsroom.findlay.edu/university-of-findlay-experimenting-with-virtual-science-labs-in-wake-of-covid-19/>.

If you have suggestions or questions, please email them to coronavirus@findlay.edu. Also, please visit the [Coronavirus Disease \(COVID-19\) Information](#) web page for current status reports. Additionally, we would encourage you to download the Oiler Mobile App (available at App Store and Google Play), and enable push notifications.

As always, thank you for your understanding and thoughtful feedback as we work our way through this one day at a time. We will continue to do our best to provide up-to-date information on the changing situation.

Regards,
Dave

David Emsweller

Vice President for Student Affairs
