

## May 21 Campus Update Regarding COVID-19

As we near the [Expiration of Health Orders](#) on June 2<sup>nd</sup>, we wanted to share the following information regarding campus operations after that date:

- Normal campus operations will resume.
- Face coverings will no longer be required (individuals should consider wearing a face covering if they are not vaccinated for COVID as a means of self-protection).
- Physical distancing will not be required.
- Occupancy limits for classrooms and other campus facilities that were set as a result of COVID protocols will no longer be in effect.
- Attendance limits for indoor/outdoor events that were imposed as a result of COVID protocols will no longer be in effect.
- Outside visitors will be permitted on campus.
- Outside groups wishing to rent UF facilities will be able to do so once regular classes resume in August.
- Vaccinations, while strongly encouraged, will not be required.
- Proof of vaccination will not be required, but we will be sending out a separate survey asking people to voluntarily disclose if they have been vaccinated so we can report our percentage vaccinated to the Health Department.
- The daily health check will no longer need to be completed and reminder emails will no longer be sent.
- Encouraging daily practices that help to reduce the potential spread of viruses will remain an important focus.

We appreciate the efforts everyone has made over the past many months to support the Oiler Start Safe & Stay Safe Plan. Those efforts enabled us to maintain live classes for the entire academic year.

Moving forward, further updates will only be sent if there is new information from the state or if the situation changes.

If you would like to access any of the other campus updates that have been sent out over the past months, please visit the [Coronavirus Disease \(COVID-19\) Information](#) web page. Links to all updates are located in the Campus Communications section. If you have suggestions or questions, please email them to [coronavirus@findlay.edu](mailto:coronavirus@findlay.edu). Additionally, we would encourage you to download the Oiler Mobile App (available at App Store and Google Play), and enable push notifications. As always, thank you for your understanding and thoughtful feedback.

Regards,

**David Emsweller**  
Vice President for Student Affairs and Enrollment Management
