

November 23 COVID Cased Data Update

To the UF Community:

As we start the fifteenth week of classes, I want to provide the following update:

- For the week of 11/15-11/21 - we administered 138 tests; there were 55 active positive cases; and 133 people were in quarantine (see [COVID-19 Dashboard](#) for more detail).

Even though the number of cases on campus is trending down, Hancock County numbers are still rising. As a result, we all need to do the following:

- On campus
 - Wear a face covering *inside* all buildings (classrooms, hallways, offices, public spaces, and common areas).
 - Wear a face covering *outside* when safe physical distancing from others (at least six feet) is not possible.
 - Ask others politely to wear a face covering if you see they are not.
 - Remember that eating in class is not permitted since face coverings must be worn while in class.
 - When in Henderson, the CBSL/AMU/Winebrenner/Davis St. Building common areas, wear face coverings at all times except when you are actually in the direct act of eating or drinking.
- Off campus
 - Wear face coverings as required by the state of Ohio.
 - Maintain physical distance when around others.
 - Avoid group gatherings of more than ten.
- On or off campus
 - Use the [Daily Health Monitoring Tool](#) every day.
 - Follow the [Oiler Pledge](#).
 - Follow the [Oiler Start Safe & Stay Safe Plan](#).
 - If you don't feel well, stay home and contact the Cosiano Health Center.
 - Practice good hygiene and handwashing.

If you would like to access any of the other campus updates that have been sent out over the past months, please visit the [Coronavirus Disease \(COVID-19\) Information](#) web page. Links to all updates are located in the Campus Communications section. If you have suggestions or questions, please email them to coronavirus@findlay.edu. Additionally, we would encourage you to download the Oiler Mobile App (available at App Store and Google Play), and enable push notifications. As always, thank you for your understanding and thoughtful feedback.

Regards,

David Emsweller

Vice President for Student Affairs
