

October 26 Campus Update Regarding Campus Events

To the UF Community:

In response to increased COVID-19 cases in our area, effective 11/1/2020, the University of Findlay is modifying its campus event policies as follows:

EXTERNAL NON-ATHLETIC events on campus:

- Beginning November 1, 2020, no external events will be scheduled on campus until further notice.
- Events already scheduled by external entities taking place on or after November 1, 2020, will be canceled.

INTERNAL NON-ATHLETIC events on campus:

- Events are limited to 50 persons or fewer, with the exception of College First Church and Revive worship services in Winebrenner.

INTERNAL ATHLETIC events on campus:

- For events where students are competing inside (basketball, indoor track and field, swimming/diving, volleyball, tennis and wrestling), no spectators for either team will be permitted through the end of the academic year. This will be revisited if COVID cases decline drastically. Competitions will be live-streamed whenever possible.
- Spectators at outside athletic events will be permitted, but must be distanced and masked at all times, following GMAC and NCAA stipulations.

EXTERNAL ATHLETIC events on campus:

- Beginning November 1, 2020, there will be no UF sponsored athletic youth camps, swim lessons, clinics or practices for external participants until further notice. The exception to this policy is the legally binding contractual obligation UF has with the Findlay City Schools swim team for use of the UF pool, but within the UF restrictions for indoor athletic activity.

COMMENCEMENT:

- We are planning to hold commencement ceremonies as scheduled the first weekend of May, with the assumption that COVID numbers will decline before then.

Please note that these modifications will remain in place until the number of COVID cases declines significantly. We will keep the campus informed of any further changes.

Regards,

David Emsweller

Vice President for Student Affairs
