

## July 28 COVID-19 College Vaccine Challenge

To the UF Community:

The University of Findlay is participating in the [COVID-19 College Vaccine Challenge](#) along with these other Ohio institutions:

Lorain County Community College, Malone University, Miami University, Oberlin College, Ohio Dominican University, Ohio Northern University, Ohio State University, Ohio University, Ohio Wesleyan University, Owens Community College, Sinclair Community College, Terra State Community College, University of Akron, University of Cincinnati, University of Toledo, Wittenberg University, Xavier University

During the months of August and September, UF will share information about encouraging COVID vaccinations along with social media posts and opportunities for prizes.

Given the current rise in COVID cases, we want to strongly encourage everyone to get vaccinated so we can have the fall semester of in-person events and activities that we all have been waiting for in Oiler Nation.

Regards,
