

March 26 Campus Update Regarding Coronavirus

To the UF Community:

Recognizing the impact the COVID-19 crisis is having on our community, we are writing today to share information regarding financial matters that are important to our students and their families.

Room and Board

- For students with a room and board contract who have not remained on campus, the University of Findlay will grant a prorated housing and meal plan credit to your student account for the time period of Monday, March 16, 2020 through Thursday, April 30, 2020.
 - This credit will be applied to your fall 2020 student bill.
 - The credit will be adjusted based on your actual cost after institutional aid is factored in.
 - Those students who remained on campus during this time and continue to live in University housing will not be eligible for the credit.
 - Seniors graduating in May will receive this credit on their student account. The credit will first apply to any outstanding balance owed to the University. If the account balance is paid in full at graduation, the University will issue a refund to the student in the weeks following.
 - If you do not return to the University of Findlay in the fall of 2020 (and are not a graduate), you are not eligible for the housing and meal plan credit.
 - If you had bonus dollars remaining on your meal plan, they will roll over to fall 2020.
 - All financial credits will be applied in the June 2020 billing cycle.

Tuition and Fees

- There will be no financial credit provided for tuition and fees since faculty instruction and services continue on a remote basis.

Other Financial Considerations

- For students registered in the spring semester, the University will not charge additional late fees or interest on unpaid balances through May 31, 2020.
- We will also remove holds on registration for past due balances so students can register for fall classes.
- Should the State or Federal Government make any new decisions regarding reimbursement to college and university students, we reserve the right to modify these adjustments.

If you have questions regarding refund policies, please email them to coronavirus@findlay.edu. Also, please visit the [Coronavirus Disease \(COVID-19\) Information](#) web page for current status reports. Additionally, we would encourage you to download the Oiler Mobile App (available at App Store and Google Play), and enable push notifications.

Thank you for your understanding and thoughtful feedback as we work our way through this. We will continue to do our best to provide up-to-date information on the changing situation.

Regards,
