

Title IX

Sexual Misconduct is Everyone's Issue

90% of sexual assaults on college campuses involve the use of alcohol or drugs.

Past consent
does not mean
present or future consent.

80%+
of people who are sexually assaulted know their assailants.

It can happen to anyone. 1 in 4 women and 1 in 6 men experience sexual assault in their lifetimes.

Sexual assault and relationship violence are about
power and control.
