

## MEMORANDUM

TO: University of Findlay Community  
FROM: Office of Accommodation and Inclusion and  
Office of Human Resources  
RE: Request for Accommodations  
DATE: June 14, 2019

In an effort to better serve the needs of an employee with a disability e.g. permanent or temporary, the following steps have been put in place to request accommodations. Please follow these steps so that we can ensure proper accommodation has been made in a timely manner.

1. Contact the Office of Human Resources to complete the appropriate paperwork through an appointment with the Director of Human Resources. In addition, under the Americans with Disabilities Act (ADA), any information given to a supervisor regarding an accommodation an employee might need is considered a request and should be forwarded to the Office of Human Resources.
2. Provide the necessary medical documentation to support your request for accommodations.
3. After reviewing, the Director of Human Resources will forward your paperwork along with your documentation to the Director of Accommodation and Inclusion for evaluation. The Director of Accommodation and Inclusion will make a determination regarding the accommodation and will collaborate with the appropriate personnel to arrange for further accommodations.
4. The Director of Human Resources and the Director of Accommodation and Inclusion will meet with the employee to discuss the accommodation and present a timeline for putting it in place, if necessary.
5. Details of the conditions and accommodations will be reevaluated at appropriate intervals to be sure the condition still exists and the accommodation is appropriate.
