## 2018 IPPE Preceptor of the Year: William (Bill) Stamper

If you are a pharmacy student who works with Bill Stamper, your experience begins with "What do you want to get out of your time with us?" It ends with a piece of advice that he has carried with him for his 19 years of practice: "Enjoy what you are doing. Never let it become a job or you'll stop loving it." These are the words of wisdom from Bill, who has been a very good friend and respected preceptor to the College for the past six years. As part of our students' experiential education Bill has precepted over 24 rotations. Needless to say, Bill is a very appreciated and popular preceptor. A 1999 graduate of Ohio Northern University, Bill's practice includes almost 20 years of experience in community pharmacy, [Click here for more](#)

## VIP2: Oct. 19th

### Very Important Potential Pharmacists Day

The College will be reaching out to Ohio and Michigan high school guidance counselors and science teachers asking them to send us their brightest students who are high academic achievers and have a possible interest in pharmacy. The students will have a day full of exploring pharmacology, community pharmacy, kinetics, and critical thinking skill activities. If you have a high school student interested please feel free to email [pharmacy@findlay.edu](mailto:pharmacy@findlay.edu) with any questions.

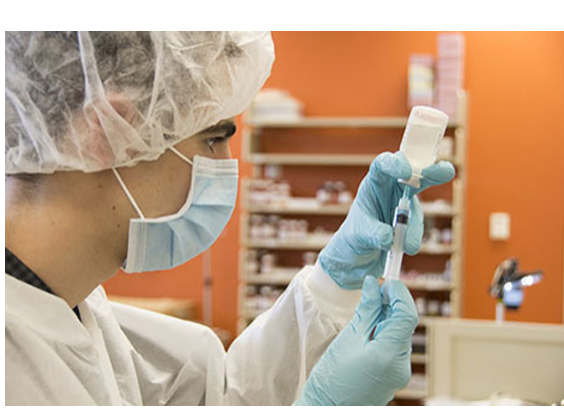

## Tracey Archibald (Class of 2014) on Choosing a Focus That's Right for You

After working in community pharmacy for two years after graduation, Tracey Archibald wanted to explore a different aspect of pharmacy. Having completed an APPE rotation at Ohio Medicaid in 2013 and developed a good relationship with her preceptor provided a great avenue to talk about different career options.. "I reached out to talk about possibilities outside of retail, such as working for the State or going back to school for a master's," Tracey added. "Ohio Medicaid had an open position. I applied and now here I am." [CLICK HERE FOR MORE](#)

## Legislative Invitation & Updates

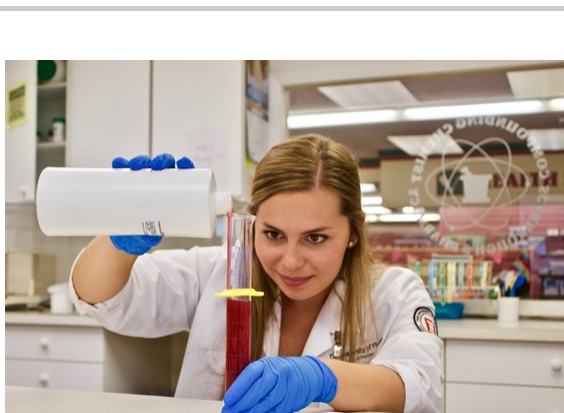

The University of Findlay College of Pharmacy is hosting a legislative event on Monday, October 1, 2018, from 6-7:30 pm in Winebrenner, TLB on UF's campus. Several senators, representatives and local political leaders have been invited on campus to hear our professional message regarding Ohio Senate Bill 265 which would to permit certain health insurers to provide payment or reimbursement for services lawfully provided by a pharmacist and to recognize pharmacist services in certain other laws. You are welcome and encouraged to attend to show your support of the Bill. [Click here for more.](#)

## What's Up with APPEs?

By Tonya Dauterman, Pharm.D., Director of Experiential Education

Our students have continually shared that their APPE rotations have been one of the best parts of their pharmacy education. Thank you for making their experience real and of great quality! We would like to share with you how the college will continue to support the APPE students in prepping for NAPLEX, since the structure of the exam changed two years ago. We feel it's even more important than ever for students to review "board like" material. The NAPLEX is a now 6-hour exam and consists of 250 questions. The length of the test can be especially challenging to students [Click here for more.](#)

## What's Up with IPPEs?

By Tim Burkart, Pharm.D., Assistant Director of Experiential Education

Welcome back to another academic year! Many students have been able to complete IPPE hours over the summer, attempting to be proactive in their educational experiences. Thank you for your efforts precepting these students. Some students may still be contacting you for hours during the fall semester. We have asked students to try to identify potential preceptors by September 7, so they will have time to complete their 50 IPPE hours by November 20. As a reminder, here are some of the focus points both in experiential and in the didactic portions of the curriculum that are set for each student cohort. [Click here for more.](#)
