Annual Career Fair and Hubsite Meeting

Thursday, September 15th, 2016

Location: The University of Findlay

Updates: IPPEs and APPEs 2016-2017

- The next set of APPEs are quickly approaching! The start date of UF APPEs 2016-2017 will be July 1st, 2016. We encourage students and hub site coordinators to communicate with each other at least 2 weeks prior to this date.
- The UF IPPE and APPE manuals have been updated. The manuals as well as other preceptor material can now be found on your RxPreceptor/CORE Elms home page. The college will not be sending paper copies, unless specifically requested, to preceptors as a means to be environmentally conscientious.
- ACPE guidelines now require documented midpoint evaluations for APPE rotations and final evaluations for both IPPE and APPE rotations.

Ohio Pharmacists Association

Student Legislative Day

February 26, 2016

Each year, we send a group of our students to the Ohio State Capitol Building in Columbus, Ohio to talk with state representatives and senators about current pharmacy related issues. During these meetings, pharmacy students are able to directly advocate for the profession to a representative in hopes to advance the field.

Our students have been advocating at the Pharmacy Legislative Day since 2013 and have been able to speak for many laws that have progressed pharmacy in Ohio.

Triva Question:

Which supplements are most commonly recommended for patients with cystic fibrosis because of malabsorption?

1. Calcium and iron
2. B complex vitamins
3. Zinc and copper
4. Vitamins A, D, E, and K

Preceptors of the Year 2015-16

Every year, UF Pharmacy students nominate a preceptor that they found to be an outstanding teacher outside of the typical class room setting. This year, we had copious nominations from students, showing us how greatly UF preceptors impact our students. This year, the awards went to Rachel Rocha of Toledo (APPE) and Sheri Sponsler of Arlington (IPPE) who are both pictured below. UF appreciates the time all of our preceptors take out of their schedules to enhance the experiential education of our students.

UF APPE Preceptor of the Year: Rachel Rocha
Promedica Pharmacy Counter at The Mary Ellen Falzone Diabetes Medical Center, Toledo, Ohio

UF IPPE Preceptor of the Year: Sheri Sponsler
Arlington Pharmacy, Arlington, Ohio

Pictured with Sheri: UF Pharmacy student Gyen Musgrave, PharmD Candidate 2019.

UF Pharmacy Camp

The UF College of Pharmacy will be holding their annual Pharmacy Camp for high school students June 12-16. This gives prospective students the chance to take a glimpse into what pharmacy school and the pharmacy profession entails. Registration is currently open, and more information can be found at the link below:

<https://www.findlay.edu/pharmacy/Pharmacy-Summer-Camp>

Thank you for your time and for your contributions towards bettering our students of The University of Findlay College of Pharmacy!

For more questions or for more information about being a UF COP preceptor, contact any of the following:

Tonya Dauterman, Pharm.D., CGP, CDE,
Director of Experiential Education (419)434-5449

Timothy Burkart, Pharm.D., BCPS, CGP,
Assistant Director of Experiential Education
(419)434-5783

Melinda Fleegle, BSN, RN, M.B.A., Clinical
Education Specialist (419)434-5633

Cynthia Fitzpatrick, M.Ed., Clinical Education
Specialist (419)434-5462

Teaching Assistants:

Alisha Chesser (chessera@findlay.edu)

Matthew Kolenda (kolendam@findlay.edu)

Answer to trivia question: Answer: 4. Vitamins A, D, E, and K
Rationale: Although all the above supplements may be recommended for patients with cystic fibrosis, the ADEK vitamins, vitamins A, D, E and K, are fat-soluble, which patients with cystic fibrosis do not absorb well because of their pancreatic insufficiency. Citations: Earle SB. Cystic fibrosis. In: Koda-Kimble MA, Young LY, Allredge BK, et al., eds. Applied Therapeutics: The Clinical Use of Drugs, 9th ed. Philadelphia: Lippincott Williams & Wilkins, 2009:P98:1-98:18. Adapted from the ACCP Clinical Challenge 2013
