

Environmental, Health, Safety, & Sustainability Challenges to Innovation Conference

University of Findlay | Alumni Memorial Union

8:00AM-3:30PM

Join us for an unforgettable event where industry leaders and innovators gather to ask the question “What Keeps You Up at Night?” as an EHS&S professional.

Conference Overview

Join us for the second annual University of Findlay Environment, Health, Safety, and Sustainability Challenges to Innovation Conference, where we explore "What Keeps You Up at Night?" as an EHS&S professional. Network with UF alumni, current EHSS students, and industry professionals from across the country.
