* Left academically eligible with athletic eligibility remaining.

*** Pursuant to the Student-Right-to-Know Act, a cell containing cohort numbers that includes only one or two students, the data in that cell will be suppressed so that no individual can be potentially identified. If you see asterisks instead of numbers for a particular field, that is an indication that the data have been suppressed. The totals reflect the sum of both the suppressed and reported numbers.

ORANGE BOX = zero (0) students self-identified as belonging to that specific race / ethnicity cohort.

N/A = Not applicable; was not an option available at the time.
