

MASTER OF BUSINESS ADMINISTRATION

ON-CAMPUS | ONLINE | HYBRID

University of Findlay

Program Overview

Our global economy is dependent on strong business leaders who are equipped to make big decisions and even bigger moves for long-term success. Professionals who can navigate complex business issues, analyze and implement effective business strategies and policies as well as consistently motivate team members are best suited for top leadership roles in today's growing and demanding global business environment.

Earn your MBA on-campus, online, or hybrid from the University of Findlay's ACBSP-accredited College of Business, and be prepared to become a service-oriented leader, strategic thinker. Through the University's network of professionals, both in your classes and from our alumni base, you will build a wide range of business skills and connections that will advance your career and community.
