

COLLEGE OF EDUCATION ADVANCED PROGRAM OVERVIEW

FOR PRINCIPAL, SUPERINTENDENT, AND TREASURER'S LICENSES

University of Findlay

Program Overview

Principal - University of Findlay's Principal Licensure Program is for current teachers with their master's degree who are looking to grow in their career and lead their school building to success. This State Approved Principal Training leads to an Ohio Principal License and is for individuals who meet the following requirements:

- Completed two years of successful teaching under a professional teaching license
- Completed a master's degree
- Completed an approved educational administration program
- Passed the Ohio Assessments for Educators Education Leadership test #015
- Received the recommendation of the head of teacher education of the institution attended
- Passed a criminal background (FBI / BCI) check

The Master of Arts in Education Program serves as a stepping stone to obtain a principal license. If you've earned your Master of Arts in Education with a focus in educational administration from the University of Findlay, then you will only

need to take the remaining three courses (9 hours) to earn a five-year professional principal license. If you need to complete your master's degree, you can do so through the University of Findlay.

Superintendent - University of Findlay's Superintendent Licensure Program is for current principals and administrators who are looking to grow in their career and lead their school district to success. This State Approved Superintendent Training leads to an Ohio Superintendent License and is for individuals who meet the following requirements.

- Have obtained a Master's Degree
- Three years of successful experience in a position requiring a principal or administrative specialist license
- Completion of an approved preparation program for superintendents
- Pass a criminal background check

Treasurer - Findlay offers all classes necessary to complete your educational requirements for the School Treasurer Licensure.

Business Degree Holders

- EDAD 576 – School Finances and Resources (three credit hours)
- EDAD 578 – Educational Law (three credit hours)

Non-Business Degree Holders

- EDAD 576 – School Finances and Resources (three credit hours)
- EDAD 578 – Educational Law (three credit hours)
- Nine credit hours of accounting courses

Field Experience Requirements-contact the College of Education for more information.

ABOUT OUR FACULTY

All faculty are licensed administrators who have worked directly in K-12 schools and continue to contribute to research and professional practice. Their experience and continued connection with K-12 schools helps students develop practical skills to meet the demands of today's schools.

placements

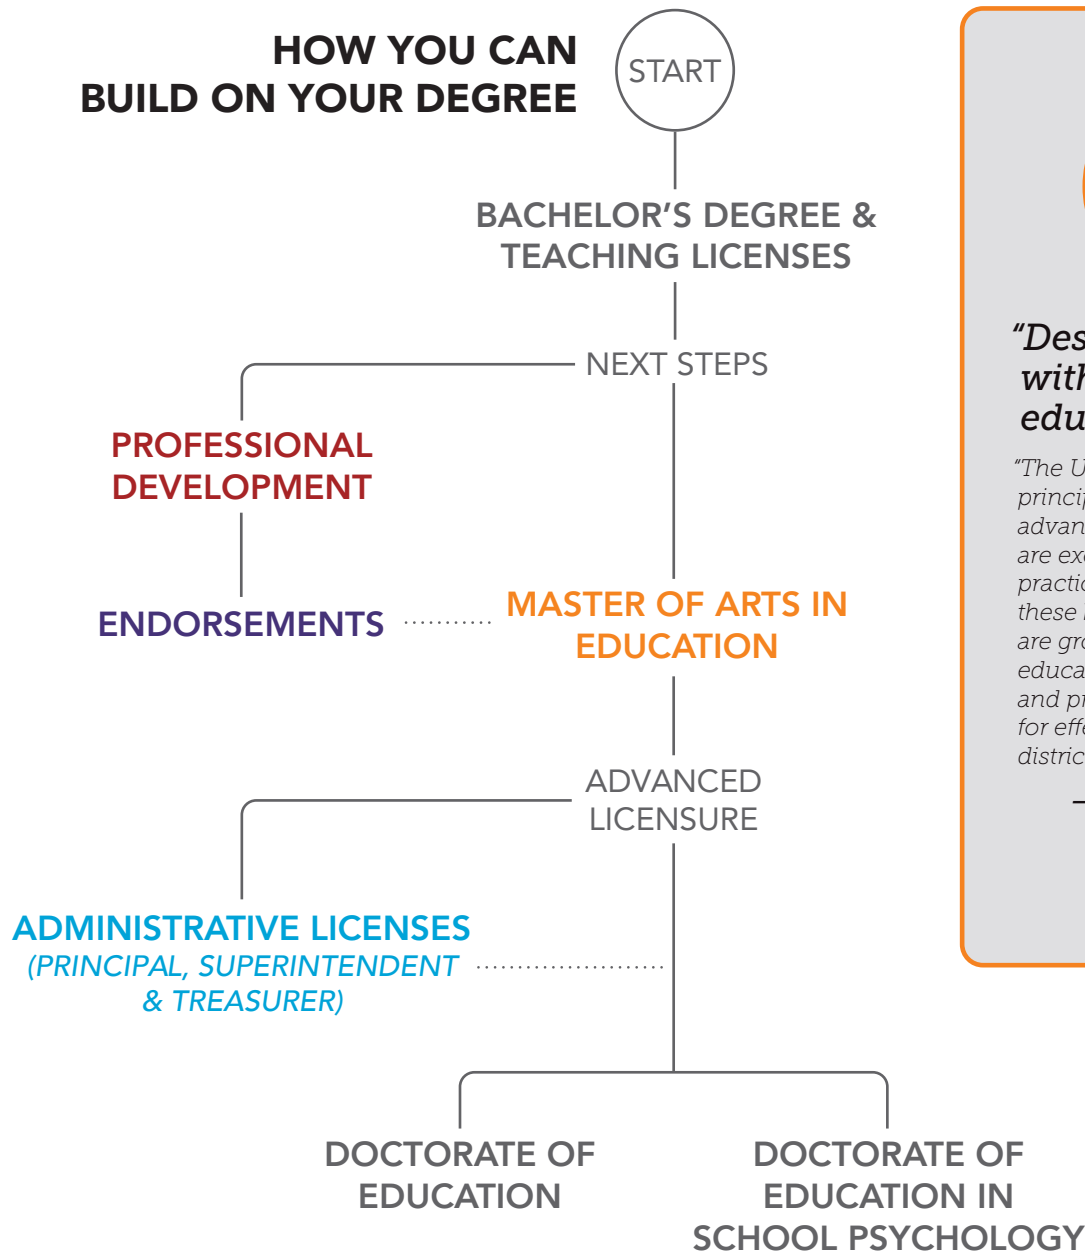

WHY SHOULD I COMPLETE AN ADVANCED LICENSE?

Advanced licensure will broaden your knowledge and provide leadership development that addresses the complexities of school and district administration. Licensure opens doors to opportunities that may only be available to those who have prepared for leadership through an approved licensure program.

ACCREDITATION STATEMENT

The College of Education is accredited by the Council for the Accreditation of Educator Preparation (CAEP). The principal, superintendent, and treasurer programs are approved by the Ohio Department of Higher Education.

HOW YOU CAN BUILD ON YOUR DEGREE

"Designed with practicing educators in mind."

"The University of Findlay's principal and superintendent advanced licensure programs are exceptional. Designed with practicing educators in mind, these hands-on programs are grounded in real-world educational experiences and prepare future leaders for effective building- and district-level leadership roles."

– Dr. Ted Haselman
Superintendent,
Bowling Green City Schools

Findlay structures their graduate course offerings to build upon themselves. Course credit you earn for professional development can be applied to an endorsement program or master's degree. Students who graduate with an MAE in Educational Administration from Findlay only need to take three more courses to earn their principal licensure. Superintendents have satisfied 25% of Ed.D.
