

International Connections

Keeping you connected with all things International

What's been happening?

The Office of International Admissions and Services held its first **"Welcome Potluck"** on January 20, 2017. Community members along with new students from fall '16 & spring '17 were invited to the Potluck. Variant sumptuous dishes were prepared by community members, faculty, and staff. With two fall 2016 students sharing their experience, a video made by our graduate assistant, and door prizes in the end, the Welcome Potluck was a successful event!

The next event organized by International Admissions and Services was a **"Movie Night"** held on February 3rd. One of the funniest animated movies of all time "Zootopia" was screened during the movie night. Needless to say, with pizza, pop, and candy the students enjoyed the night.
