Furniture Stacking

Stacking Instructions:

- Steel pins must be inserted in the holes of the furniture before stacking
- Long pins should be used when stacking beds. Short pins should be used for other arrangements.
- Pins come from a member of Residence Life Staff.
- No tools are needed. Beds can be positioned at two heights.
- The University provides each student with one bed, desk, desk topper, desk chair, bookshelf, and closet or wardrobe.
- Stack beds to make a ladder.
- All provided items must stay in each housing unit.

Safety Precautions:

- Always use two people to lift and stack furniture.
- Always use pins to secure furniture when stacking.
- Loose connectors? Contact a Residence Life Staff immediately.
- Beds stacked on top of each other must be on the ground, no other furniture may be stacked on top of or below them.
