Student Instructions

Once you have created an account in StandOut, you will have the option to take a Dynamic Practice interview or a Program-Specific interview.

A. Dynamic Practice

Create your own mock interview using StandOut's Dynamic Practice option.
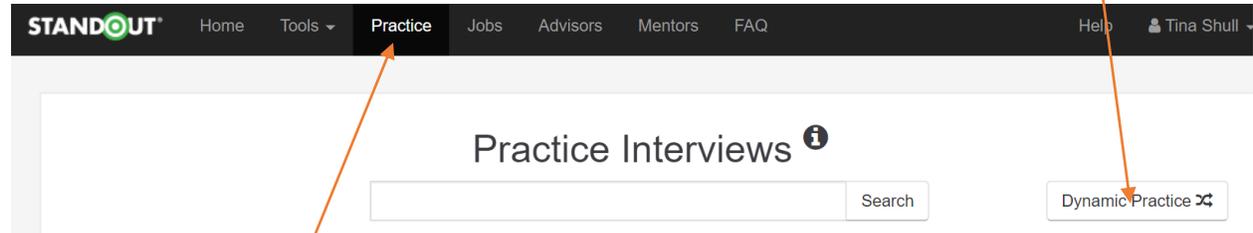

- Login>Click Practice from tool bar
- Then select Dynamic Practice>Difficulty of Questions>Interview Criteria>Number of Questions
- Once completed, you will have the option to share the interview or reset for additional practice

B. Program-Specific Mock Interviews

Program-Specific Mock Interviews can be assigned or requested and require a password. Faculty or a CCPD career counselor will assign them. For additional practice on a program-specific mock interview that has not been assigned, contact a CCPD career counselor.

Once you receive the invitation email with the link and password to the interview:

- Click on the link, sign in, and you will be prompted to enter the password
- Click Begin Practice
- Once all questions have been answered, click Finish
- You will then have the option to Share or Reset the practice interview
    - A CCPD career counselor will provide feedback on shared practice interviews
