

## April 12 COVID Case Data Update

To the UF Community:

Here are the COVID updates for this week.

- For the week of 4/4-4/10 - we administered 270 tests; there were 24 active positive cases (9 of those were new cases and 15 were continuing cases); and 26 people were in quarantine (see [COVID-19 Dashboard](#) for more detail).
- UF received 1,200 doses of the Johnson and Johnson vaccine last week with the stipulation from the state that it is to be administered to **students** only. Approximately 450 vaccinations are scheduled to be delivered, and more vaccination clinics are going to be added. As soon as the state gives us permission to offer vaccinations to employees, we will notify the campus.
- Students eligible for the [Coronavirus Response and Relief Supplemental Appropriations Act \(CRRSAA\) Financial Aid Grant](#) received an email notification last Friday.
- Please remember the following guidelines remain in place:
  - On campus
    - Wear a face covering *inside* all buildings (classrooms, hallways, offices, public spaces, and common areas).
    - Wear a face covering *outside* when safe physical distancing from others (at least six feet) is not possible.
    - Ask others politely to wear a face covering if you see they are not.
    - Remember that eating in class is not permitted since face coverings must be worn while in class.
    - Remember to use the wipes provided in class and meeting rooms to clean surfaces when you enter those areas.
    - When in Henderson, the CBSL/AMU/Winebrenner/Davis St. Building common areas, wear face coverings at all times except when you are actually in the direct act of eating or drinking.
  - Off campus
    - Wear face coverings as required by the state of Ohio.
    - Maintain physical distance when around others.
    - Avoid group gatherings of more than ten.
  - On or off campus
    - Use the [Daily Health Monitoring Tool](#) every day.
    - Follow the [Oiler Pledge](#).
    - Follow the [Oiler Start Safe & Stay Safe Plan](#).
    - If you don't feel well, stay home and contact the Cosiano Health Center.
    - Practice good hygiene and handwashing.

If you would like to access any of the other campus updates that have been sent out over the past months, please visit the [Coronavirus Disease \(COVID-19\) Information](#) web page. Links to all updates are located in the Campus Communications section. If you have suggestions or questions, please email them to [coronavirus@findlay.edu](mailto:coronavirus@findlay.edu). Additionally, we would encourage you to download the Oiler Mobile App (available at App Store and Google Play), and enable push notifications. As always, thank you for your understanding and thoughtful feedback.

Regards,

**David Emsweller**

Vice President for Student Affairs
