

May 14 Campus Update Regarding COVID-19

To the UF Community:

On May 12th, Governor DeWine announced plans for the [Expiration of Health Orders](#) scheduled for June 2nd. The CDC also released [new guidelines](#) for fully vaccinated individuals. Given that the state of Ohio is under a health order that remains in effect until June 2nd, the University of Findlay is required to continue following the current health order regardless of CDC guidance. As June 2nd approaches, additional information regarding changes to UF's COVID protocols will be shared.

If you would like to access any of the other campus updates that have been sent out over the past months, please visit the [Coronavirus Disease \(COVID-19\) Information](#) web page. Links to all updates are located in the Campus Communications section. If you have suggestions or questions, please email them to coronavirus@findlay.edu. Additionally, we would encourage you to download the Oiler Mobile App (available at App Store and Google Play), and enable push notifications. As always, thank you for your understanding and thoughtful feedback.
